#### ABOUT BANDIT

We love wine and we love to explore beautiful landscapes, so in 2003 we created Bandit. This light-weight container is adventure-ready, keeps our collection of wines and wine cocktails fresh and delicious, and uses natural resources responsibly. A proud supporter of the National Park Foundation, Bandit features custom-illustrated images of America's iconic National Parks on each package.

From dinner around the campfire to picnics on the beach, Bandit is ready for wherever the spirit of adventure leads you. Live well and go explore!

#### WINEMAKING

The Bandit Chardonnay underwent 40% malolactic fermentation to enhance aroma and mouth feel; the remaining wine was kept non-malolactic to spotlight the fresh and fruity characteristics. The resulting wine is balanced on the palate, with strong varietal fruit characteristics.

#### TASTING NOTES

Bandit Chardonnay shines with pure tropical and citrus aromas illuminated by fresh, shimmering fruit flavors. Silky smooth, full-bodied and stylish, it's a versatile wine destined to steal the spotlight when poured at impromptu parties or backyard barbecues.
