ABOUT BANDIT

We love wine and we love to explore beautiful landscapes, so in 2003 we created Bandit. This light-weight container is adventure-ready, keeps our collection of wines and wine cocktails fresh and delicious, and uses natural resources responsibly. A proud supporter of the National Park Foundation, Bandit features custom-illustrated images of America's iconic National Parks on each package. From dinner around the campfire to picnics on the beach, Bandit is ready for wherever the spirit of adventure leads you. Live well and go explore!

WINEMAKING

To enhance the freshness of the Sauvignon Blanc grape, we used stainless steel tanks to craft this wine. The result is a wine that sings with bright herbal and citrus flavors and the zesty, mouth-watering acidity so characteristic of this varietal.

TASTING NOTES

Zesty and fresh, our Sauvignon Blanc zings with bright citrus aromas, framed by flavors of tart apple, fresh green herbs and citrus. Mouthwatering and juicy, this wine will keep everyone coming back for more with its crisp, clean finish.
